## The Clery Act

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, more commonly known as the Clery Act, requires institutions of higher education to distribute to all current and prospective students and employees two types of information: (1) Descriptions of policies related to campus security, and (2) Statistics concerning specific types of crimes. Amendments enacted in 1998 renamed Title II, which is now known as the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act”. The amendments require the disclosure of crimes that are reported to police and campus officials other than police, along with a breakdown of locations of criminal activity to be specified as on-campus, non-campus, residence hall, or public property.

## Clery Notification Methods

The *Clery Annual Security Report* is prepared and distributed through the Champion Christian College website and is the college’s “student right to know” report. It is also covered during orientation procedures and a freshman seminar course for all incoming freshman.

## College Response to Crime Reports

When a serious incident occurs that causes an immediate threat to the campus, the first responders to the scene are will most likely be the Hot Springs Police Department, CCC College Administrators, the Garland County Sheriff’s Department, and the AR State Police. These departments typically work together to manage the incident. Depending on the nature of the incident, other CCC departments and local agencies could also be involved in responding to the incident. The first priority when an emergency occurs is employee, student and guest safety as well as emergency response, and their second priority is disaster recovery and business continuity. This plan encourages the development of high levels of resilience where required and the wise use of resources to assure that when an emergency. The continuity plan allows CCC’s normal functions continue and, in the case of a major emergency, CCC’s mission and essential functions are restored as soon as possible followed by restoration of all College functions. CCC is in the process of implementing the emergency alert system. The system uses telephones, cell phones,

text, Facebook, Twitter, and e-mail to notify students, faculty and staff of emergency situations. Students will receive alerts automatically only if they are enrolled at CCC. CCC has developed an emergency response and evacuation procedure and if a violent crime or any other incident that poses an ongoing danger to the College community occurs, efforts will be made to report the information immediately to appropriated administrators, employees, currently enrolled students, and visitors. An evacuation drill is coordinated each semester for Hancock Hall, the residential facility. Emergency response and evacuation procedures are tested at least twice each year. Through these evacuation procedures, students learn the locations of the emergency exits in the buildings, receive guidance about the directional route they should take to exit the building. The purpose of these evacuation drills is to prepare building occupants for an organized evacuation in case of a fire or other emergency. These drills are used as a way to educate and train occupants on fire-safety issues specific to their building. During the drill occupants “practice” drill procedures and familiarize themselves with the location of exits and the sound of the fire alarm. The process also provides the College with an opportunity to test the operation of fire alarm systems. Reports are prepared and stating if the drill was announced or unannounced, if deficient equipment was identified so that repairs can be made and if there are recommendations for procedural and emergency response time improvements.

## Reporting Crime and Other Emergencies

On campus general assistance can be obtained by calling (501) 623-2272 ext. 310. Contact information for the Hot Springs Police Department is located in the College Emergency Plan located on the college website. HSPD will respond as quickly as possible to any request for assistance, whether it is an emergency or not. Response time is based on current activity and the severity of the call. Crimes in progress, traffic accidents, and medical assists have a higher priority than other types of calls. It cannot be stated enough how important it is to promptly and accurately report crime, no matter where it occurs. If a crime is not promptly reported, evidence can be lost and/or a suspect could elude arrest. If a crime is not accurately reported, leads could be missed, and an investigation could head the wrong direction. If you see a crime or emergency, promptly report it to HSPD and answer questions as accurately as you can. The investigation can only be as good as the information received. If you have knowledge of criminal activity or other emergencies, or if you are the victim of such, please contact HSPD or any campus official. Additionally, it is imperative that Champion community members who become aware of a crime or other safety hazard to immediately report such to the Hot Springs Police Department for the purpose of a timely warning notice being made if necessary and for inclusion in annual crime statistics disclosures.

With your permission, the Chief or a designee of Hot Springs Police Department can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the university can keep an accurate record of the number of incidents involving students, employees and visitors; determine where there is a pattern of crime with regard to a particular location, method, or assailant; and alert the campus community to potential danger. While there are no policies in place concerning confidential reports of offense, reports filed in this manner are counted and disclosed in the annual crime statistics for the institution as required by the Clery Act.

Safety is the primary responsibility of each community member. In order to promote a safe environment, it is important that students and staff lock their doors, not prop open doors, walk at night in well-lighted areas

- After dark, avoid unlighted, vacant or deserted areas. If you are being followed or see suspicious activity, move to a lighted building or area and attract the attention of other people. Dial 911 or use a blue light or elevator emergency phone to contact the Hot Springs Police Department.
- Avoid walking alone after dark. Walk with a friend or in a group.
- Avoid jogging alone – day or night.
- Never hitch a ride from a stranger.
- Be aware of your surroundings.
- Consider carrying a noise-making device (such as a whistle) with you.
- Always have your keys in your hand and ready for use when you approach a locked door or vehicle.
- Look around your vehicle and in the back seat before getting in.
- Drive on well-traveled streets; keep your doors locked. Make it a habit to lock your doors as soon as you get into your vehicle.
- If your vehicle breaks down, stay inside and open your window only slightly. If someone stops to help, stay inside and speak to them through the window – ask them to call for help.

- Use caller ID, your answering machine or voice mail to screen calls. Also, use an answering machine or voice mail to record an obscene or annoying caller for possible evidence.

- Call the Hot Springs Police Department for more assistance.

## What to Do In the Event You Are Assaulted

- Although your personal safety is maximized when you take precautions, you may still someday be the victim of a crime. Your reaction can affect whether or not you are physically harmed. You should think NOW about how you might react under a variety of circumstances. Are you prepared to scream and yell? Are you prepared to use physical force to resist?
- If you are faced with an armed criminal, cooperating with his or her demands may minimize the risk of injury. Avoid sudden movements and do what he or she demands.
- If you believe your life is in danger, use any defense you can think of (screaming, kicking, biting, and running). Your objective should be to get away.
